Strychnine is only available to CVR ratepayers with an active farming operation. Buyers must provide the legal land locations for all application areas at time of purchase. After the Spring Sale dates, strychnine will only be available on Mondays (April 10 to June 26, 9:00 am – 11:00 am, \$12.50/bottle).

➤ **GRAIN BAG RECYCLING: DO NOT BURN your Grain bags** - Keep grain bag plastic out of the landfill by recycling it! Borrow the Plastic Roller from us to “bale” grain bags into compact, easy to handle bundles, which can be delivered to the Vermilion Waste Transfer Station for recycling. Grain bags must be tightly rolled and tied – loosely rolled plastic cannot be recycled. Keep plastic as clean as possible, and free from rocks, metal, wood and other debris.
