QUALITY SEEDLING Our trees are true to form and vigorous due to our process

REPLACEMENT GUARANTEE Rare in our industry, we provide peace of mind with our replacement guarantee

“The County of Barrhead has ordered trees from TreeTime.ca for several years... We have had good quality trees and service from them... and if there is a problem with the trees it is corrected with no questions asked.”

-Marilyn Flock, Agricultural Fieldman, County of Barrhead #11

“Everything was perfect. Not one dead out of 200.”

-Ken

“I keep telling myself “what a deal!” as I got 30 for the price of a couple in the greenhouses... they are vigorous, healthy, and GROWING!”

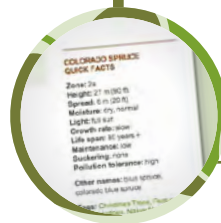

-Monica, Saskatchewan

OUR EXPERTISE AT YOUR FINGERTIPS

PLANT FINDER

TreeTime.ca’s specialized search tool lets you look for plants with the specific features you want that are ideally suited to your zone and growing conditions. Try it out and become an instant expert!

QUICK FACTS

Click on any plant on our website and you get a summary of its vital stats—size; moisture, light and maintenance needs; life span and more—right there for easy reference and comparison.
