DOES MY ASSESSMENT VALUE REFLECT CHANGES DUE TO COVID-19?

In Alberta, property tax assessments are standardized and bound by rules and regulations set by the Alberta Municipal Act (AB MGA). The value mentioned on your property tax notice is an estimated value of your property on **July 2020 (valuation date)** with the condition date of December 2020 (physical characteristic). Due to this regulation, COVID-19 effects on your property value are **not** reflected in your attached assessment. These changes will be a part of your 2021 tax assessment.
