

BYLAW NO. 07-21  
PAGE TWO

interest charges will form part of the utility rates originally charged and are collectable in the same manner as other utility rates.

5. Where any public utility account is in default, the County may enforce payment of any rate, charge, toll, fare or rent by any or all of the following methods:
  - a) by action in any Court of competent jurisdiction, or
  - b) by shutting off the public utility being supplied to the consumer or discontinuing the service thereof, upon providing reasonable notice to the consumer when possible, or
  - c) by registering a caveat against the property to which the public utility is supplying service
6. The County Administrator shall exercise the powers of the County specified in section 5 of this Bylaw.
7. In addition to the exercise of the powers specified in section 5 of this Bylaw, the County Administrator may at any time instruct that the amount or amounts of all public utility accounts in default, in respect of any public utilities supplied to the subject property, be entered on the assessment and tax roll of a property.
8. Where any public utility accounts in default are entered on the assessment and taxation roll, the amount of any and all such public utility accounts are deemed for all purposes to be a tax imposed under the Municipal Government Act from the date such outstanding accounts were added to the tax roll and form a special lien against the said parcel of land in favour of the municipality from the date they are added to the tax roll.
9. This Bylaw comes into effect upon third reading.
10. Should any provisions of this Bylaw be determined to be invalid, then such provisions shall be severed and the remaining Bylaw be maintained.
