

IN OUR BACKYARD

AGRICULTURE & ENVIRONMENT EVENTS:

- **Annual Rat Inspections:** will be beginning this month and our Inspectors may be visiting your property. They will be identified with CVR trucks, ID and Rat Control signage. If you have concerns about their visit, please contact our AG team at the main office.
- **Mowing and No-Spray Agreements** need to be completed with our office by MAY 31, 2018.

FIRE & PROTECTIVE SERVICES NEWS:

- A **Partial Fire Ban** was issued Fri, April 27 which means that only incinerator and recreational fires are permitted. All previously issued Burn Permits have been cancelled and no other fires are allowed.

PLANNING & DEVELOPMENT EVENTS:

- **Apply early for your upcoming construction or development projects.** Permit approvals can take up to 40 days.
- Reminder that **ALL RESIDENTIAL BUILDERS** are now required to have a provincial builder's license in order to construct new homes.
- **EMPLOYMENT OPPORTUNITY:** join our team as a Planner

PUBLIC WORKS NEWS:

- There are several **temporary road closures** in place due to our spring melt. Check our website for details.
