COUNTY OF VERMILION RIVER WELCOMES INNOVATIVE G3 VERMILION DEVELOPMENT

County of Vermilion River, Kitscoty, AB

A major investment in the agricultural industry in the County of Vermilion River will begin in 2020 with the construction of a high-efficiency grain elevator project from G3.

Since 2017, G3 has been working closely with the County to bring this project to fruition. With much of the regulatory requirements already in place or in progress, it is anticipated that construction 2020. The facility will have a capacity of 34,000 tonnes and a railway loop track that can accommodate a 150 car unit train.

"This investment in our agriculture industry will generate construction jobs, long-term operational employment and support our farmers by saving them time and money." said Reeve Dale Swyripa. "We are excited to welcome G3 to our community and appreciate the opportunity to collaborate on this innovative project."

G3 is well-known for their commitment to building a smarter path from farmers' fields to global markets. This innovative vision is what will ensure success for our local economy and agricultural producers.
