NOTICE to RESIDENTS

MAJOR ROAD CONSTRUCTION PROJECT: TWP 522 from HWY 41 to HWY 893 (13 miles)

Plans are underway to base and pave TWP 522 from HWY 41 to HWY 893 (13 miles) **this summer**. CVR has identified that this surface upgrade is necessary to improve the level of service on the road for the public and decrease maintenance costs/requirements on the road.

PROJECT TIMELINES:

EST. START DATE	DURATION	OPERATIONS
June 21, 2018	7 - 9 weeks	Construction operations will run 7 days a week from 7am-7pm for the duration of the project

* every effort will be made to meet these deadlines, however, the project may be delayed or interrupted at any time due to weather, environmental or other impacts.

PROJECT OVERVIEW:

The project will include preparing the subgrade surface, placing/compacting granular base course, asphalt paving and line painting.

PROJECT CONSIDERATIONS:

The maximum speed limit of 50 km/hr within the construction zone will be in effect at all times during construction. The areas outside the active construction zone will remain at 80 km/hr. Please observe and follow all posted construction signage, detours, and watch for flagging personnel.

If you have any further questions regarding the project, please contact Public Works at (780) 846-3309. Further notices will be posted on our website and social media as the project nears.

Thank you for your cooperation!
