

Notice of Construction

May 9, 2018

Dear Resident,

This letter is to advise you in advance of the construction of the Alberta Central East (ACE) Water Pipeline from Highway 897, along Township 512, and into the Hamlet of Islay following 49th Street. Construction activities will be carried out by Top Grade Construction for Alberta Central East Water Corporation.

Work will commence on May 10, 2018 starting between Range Road 33 and Range Road 35. Hours of work will be scheduled for the hours of 7:00am to 7:00pm.

Scheduled completion of work will be Fall of 2018.

During hours of work we ask all residents to play a role in protecting our workers and neighbors by following all posted signage and reducing speed through the construction work area.

In the event that any road closures are required during the course of construction additional notice will be provided to all residence affected by such closure and accommodations for personal driveway access maintained.
