### **Policy Statement:**

In order to provide consistency, the County of Vermilion River desires to have full cost recovery from the reinstatement of gas services after termination of an agreement

### **Purpose:**

The Council recognizes that should a customer request to have a Gas Service reinstated they will be required to pay the actual cost incurred to reinstate the service.

### **Policy:**

If the County is requested by the Customer to restore the gas service, at any time after termination of the Service Agreement, then the Customer shall execute a new Natural Gas Installation and Service Agreement and furthermore the Customer will be required to pay the actual cost incurred to reinstate the service, or such other amounts as may be determined by the County from time to time, UNLESS this amount is greater than the current contract price, THEN the Customer will pay the lesser amount.
