

POLICY NO:	PW 016
POLICY TITLE:	BRUSHING RIGHT-OF-WAYS POLICY
DEPARTMENT:	PUBLIC WORKS
APPROVAL DATE:	81-06-06 (June 27, 2006)
REVISION DATE:	
REVIEW DATE:	

Purpose:

Brushing along County Right-of-Ways may be done to improve public safety, improve road quality and reduce maintenance. i.e.:

- Allow wind and sun to dry road
- Minimize snow trapping on road right-of-way

Guidelines:

1. Public Works will budget to cover brushing and set priorities for work within budget. Projects may be carried into the following year if there is not enough money in the budget.
2. If brushing improves condition of the road right-of-way but is being done to aid the landowner to build a fence or remove debris then may be cost-shared 50/50 with the County and the landowner.
3. Brushing that has no benefit to the County will be done at full cost and charged to the landowner if time permits.
