Residential/Farm Building/Accessory Building/Sign/Deck/Addition

Any approvals granted regarding this application does not excuse the applicant from complying with the requirements of any Federal, Provincial, or other Municipal Legislation, or the conditions of any easement, restrictive covenant or agreement affecting the building or land(s)

GENERAL INFORMATION FOR DEVELOPMENT PERMIT APPLICATIONS

- As per the *Municipal Government Act*, the Development Officer has up to 40 days to issue a decision based on your complete application. Actual processing times may vary based on the complexity of your application, the volume of applications in the queue and unforeseen circumstances that may arise during the review process
- The Development Authority may deem an application incomplete if any of the application requirements are incomplete or missing
- Plans and drawings of the proposed development and development site must be submitted with sufficient detail to enable adequate review of the application. Your proposed development may not require the submission of professionally prepared drawings; however, they must be accurate and to scale for the proposed development

All Development Permit applications require the submission of both a completed Development Permit Application as well as the applicable supplemental form specific to the type of proposed development. Please select the appropriate form by clicking on the form title in the proposed development options provided with this application form.

Please be sure to SAVE or PRINT this application BEFORE opening the subsequent form(s).

Completed Development Permit Application and applicable supplemental form(s) and other required information can be submitted by email to planning@county24.com

ROAD UPGRADE ALLOWANCE STATEMENT: *(if applicable)*

When considering a development within the County, please keep in mind that there are many costs associated with upgrading road allowances to serve your development. Section 650(1) of the *Municipal Government Act* states that "A Council may, in a land use bylaw require that, as a condition of the development permit being issued, the applicant enter into an agreement with the municipality to do any or all of the following: (a) to construct or pay for the construction of a road required to give access to the development." Additionally, County Policy PD 003 states that the County is not obligated to provide, build, or upgrade an access to any parcel or quarter section of land.

If you have any concerns over whether your road will require upgrades, please contact the Planning & Community Services Department.

I/We the Applicant and/or Registered Owner(s) certify that:

- a) The information given is complete and is, to the best of my/our knowledge, a true statement of the facts relating to the application for development approval and that no further progress will occur on the development until a decision on the permit has been rendered. *Any material falsehood or any omission of a material fact made by the applicant and/or owner(s) with respect to this application may result in an issued permit becoming null and void.
- b) I authorize the staff of the County of Vermilion River and other agencies as described in Section 542 of the *Municipal Government Act*, to enter my land for the purpose of conducting a site inspection in connection with my development permit application.
- c) Where applicable, the individual(s) whose information has been listed under "Applicant" on this application is hereby authorized to make this application on my/our behalf. (In the case of a registered company, documentation of those with signing authority under company seal is required.)
